

Incredible Edible Mid-Peninsula & Redwood City Parks /Rec Dept

Community Seed Planting Party

Register at <http://seedplant17.eventbrite.com>

Start your summer vegetable gardens!

For adults & kids of all ages and gardening experience levels.

Master Gardener & Composter Vicky Tuite and other experienced gardeners will also be here to share advice and answer questions to help you prepare for spring vegetable planting.

Consider bringing any of these that you do have around. (No need to buy anything, we'll have enough to share):

Seeds (any kind), especially organics & heirlooms

Empty small pots, 6-pack plant trays

Large plastic or cardboard trays to bring your plants home in

Plastic milk cartons or paper milk cartons (planting trays)

Newspaper (for biodegradable pots)

Trowel

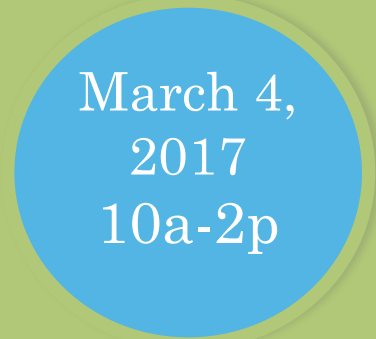

Extra seedlings you've already started that you'd like to share

Also, parent/child activities for ages 5+.

Seed-Bombs * Coloring * Pennant Painting
