

Incredible Edible Mid-Peninsula
Cultivate-Educate-Nourish
Minutes
3/6/18 at 1133 St Francis St, Redwood City

- **Attendees:** Ann Morrison, Claire Felong, Carol Cross, Anne-Lise Hassenklover, Valerie Lui
- **Additional Agenda Item**
 - Earth Day Sunday 4/22** Carol Cross's church, Unitarian Universalist Fellowship of RC, is sponsoring this event
 - Incredible Edible participates by making seed balls using egg cartons. Discuss specifics in April.
- **Fruit Tree News**
 - Red Morton Tree Care - no news
 - Alameda/Vera- Trees pruned by Tom C. He will keep us updated via email. Considering to open up site for persons in need. (Village Harvest).
 - Community Meetings on VMC/YMCA rebuild-Carol attended 2/28), "Red Morton space premium." Meeting focused on buildings, not grounds.
 - Photos of ripe and unripe fruits Like This!" (Ann) Scan codes? Ann will look more closely at McGarvey trees for labels. Do not have existing photos or names of fruit trees. Ann will take photos of fruit when ripen. Claire's neighbor assist. Goal get up signs before fruits ripen, wait until April (Ann)

Sharing-On hiatus -start in May or June

- **Whole Foods Garden(Ann/Claire)**
 - Anne-Lise reports water is back on- Eric (mgr) responds quickly
 - Anne-Lise will add another set of scissors
 - Herbs need sign "pick me-I'm ripe", Claire will make
 - vegies; spinach doing well, chard someone cut at base of plant.
 - Summer harvest garden: 2 cherry tomatoes, basil (between tomatoes), and strawberries (Jefferson side). Will work out location based on differing ground, watering requirements.
- **Kainos Community Garden (Claire)**
 - Going well and participants enthusiastic. Claire-coordinating w/Kainos staff, Lynnette-Garden Manager, Sarah Fernandes-volunteer coordinator, Sadullah-In charge of garden.
 - Legal Doc, Bylaws,**
 - Procedures, Insurance-Legal Documents in process (Claire, Lynette & Stephanie(Kainos)
 - Seeds for climate hardy Pizza Garden-to be considered for fundraiser and buy/purchase heirloom tomatoes
 - Tentative start date-March 15, 2018
- **San Mateo County Food Systems Alliance(SMC FSA) (Claire)** - Office of Sustainability, County of San Mateo, Claire attended.

SB 551 - SM County has adopted it; FSA is figuring how to implement in EPA as model for other cities.

- Speaker from UC Extension mgr for 5 county area
Different types of gardens; vertical and horizontal ingenious methods of gardening in multiple family dwellings
- more community gardens wanted, better county-wide approach to schools gardens as year round community assets

Carol will try to attend meeting w/Claire to understand their focus

•

Media/Awareness – Social & Other

July 4th Parade- (Carol) application does not guarantee spot in parade, on hold until next year since several members away.

-Some ideas: banner with name and mission, wear veg. hats, pull wagon with produce, “green roof” house?

-Banner -“Building Community One Garden At A Time,” (Carol) along with our key words “Cultivate-Educate-Nourish” . consider going ahead with banner since we’ll use for other events.

Financial/Legal

RWCPAF \$ - Claire will follow up

Next Mtg: Tues, April 3, 2018 @ 1266 Connecticut, Redwood City

- Respectfully Submitted,
- Valerie Lui
